1. Come all brother tradesmen that travel alone O pray come and tell me where the trade is all gone  
Long time I have travelled and cannot find none

**Chorus:** *And it's: O, the hard times of old England In old Eng-e-land very hard times.*

2. Provisions you buy at the shop it is true But if you've no money there's none there for you So what's a  
poor man and his family to do?

[Chorus]

3. If you go to a shop and you ask for a job They will answer you there with a shake and a nod So that's  
enough to make a man turn out and rob

[Chorus]

4. You will see the poor tradesmen a-walking the street From morning till night for employment to seek  
And scarcely they've got any shoes on their feet

[Chorus]

5. Our soldiers and sailors have just come from war Been fighting for their queen and the country, 'tis  
sure Come home to be starved, better stayed where they were

[Chorus]

6. And now to conclude and to finish my song Let us hope that these hard times they will not last long I  
hope soon to have occasion to alter my song:

*And sing: O, the good times of old England In old Eng-e-land jolly good times.*
